Dear Sir:

Proposed Amendment Under 37 CFR 1.312

New formal drawings as required in the Notice of Allowance dated 3/03/04 are furnished herewith.

It is noted that certain minor changes are made due to omitted and misdirected numerals. No structural changes have been made.

An attached copy of the drawing approved in the Office Action of 2/13/03 with changes marked are also submitted. The lone structural addition is the replacing of mirror 30 which was omitted in the approved drawing but is clearly shown in Figures 2 and 3 of the patent application publication.

It is requested that the examiner approve the formal drawings here submitted.

Proposed amendments to the Specifications.

Proposed re-submission of allowed claims earlier cancelled in error.
